THEOREM
POWER LIFT RECLINERS

VISIT THEOREMCONCEPTS.COM TO LEARN MORE.

Theorem Concepts is proud to introduce Pat Cash as its newest brand ambassador.

Fronted by Australian tennis icon, Pat Cash, our new Signature range draws on his trademark competitive spirit to deliver a collection for the discerning individual seeking classic styling with a contemporary, premium edge.

Like all Theorem Power Lift Recliners, the four models selected by Pat for their outstanding therapeutic qualities, are designed to be a functional and fashionable part of your home décor.

After a long day, experience the comfort of inclusions, such as lay-flat positioning, power lumbar support, hidden cup holders, smart device charging, and more.

Our superb attention to detail and state-of-the-art technology delivers ultimate relaxation made just for you.

If you're searching for a chair that's the ultimate in style and performance, look no further than the Pat Cash Signature Collection from Theorem Power Lift Recliners.

Pat Cash

PAT CASH SIGNATURE COLLECTION

A selection of Theorem Power Lift Recliners endorsed for their sports rehab benefits.

"These Theorem Power Lift Recliners are incredibly stylish, with superb features designed to help you relax after a tough day on the court."

BARK

FEATURES

Theorem Power Lift Recliners

Our number one priority at Theorem is ensuring that our products provide you with all the comfort possible for maximum relaxation which is why all Theorem Power Lift Recliners include:

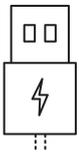

INDEPENDENT HEADREST & LUMBAR

Perfect for reading or watching a movie, an independent headrest helps avoid any neck strain while relaxing.

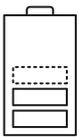

FULL LIFT POWER RECLINER

Enjoy all the benefits of a normal recliner and the added benefit of easy movement in and out of a seating position.

USB CONTROL WAND

Convenience within arms reach, charge your phone or tablet devices with the USB charging hand control.

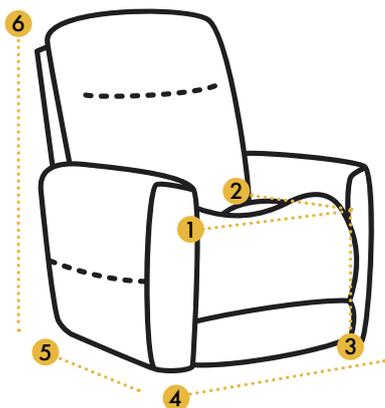

BACK-UP BATTERY

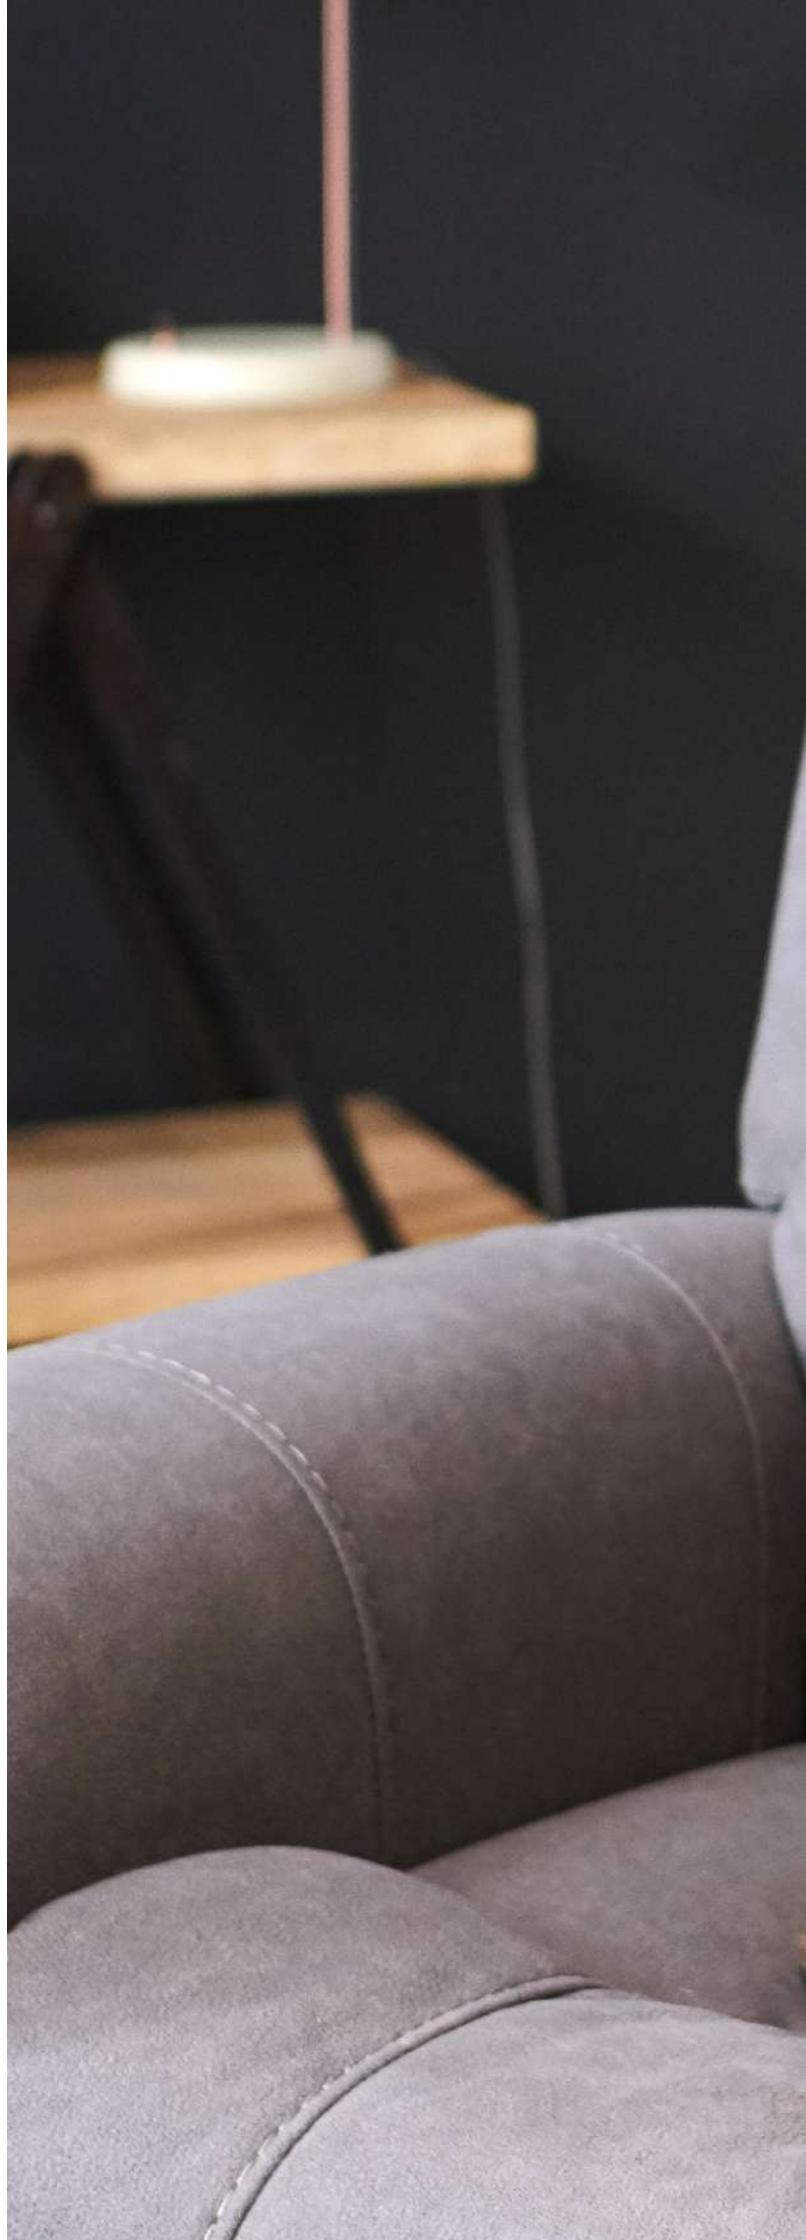

Never worry about power outages, with a built in battery back-up to allow you to safely return to the seated position.

How we measure our chairs

Some important measurements to consider before purchasing a Theorem Power Lift Recliner:

1	Seat Width
2	Seat Depth
3	Seat-to-Floor
4	Chair Width
5	Chair Depth
6	Chair Height
