Welcome to Power Mobility

A family-owned and run business with over 40 years' experience in assistive technology, Power Mobility is dedicated to providing the right mobility solutions for our customers, with care and compassion. We have known and cared for many of our clients and their mobility equipment for decades, and pride ourselves on these longstanding relationships. Power Mobility also works closely with prescribers, therapists and other health professionals to help improve our customers' mobility and quality of life.

A ONE-STOP SHOP FOR ALL YOUR MOBILITY NEEDS

We specialise in assistive technology solutions designed to support your lifestyle, including power wheelchairs, mobility scooters, manual wheelchairs, lift recliners, plus much more. Widely known as the power wheelchair specialists, we prescribe, build and customise power wheelchairs to suit our clients' individual needs. Our team includes some of the most experienced and knowledgeable people in the industry. An NDIS Registered Provider, Power Mobility provides the perfect combination of quality mobility equipment, personal service and expert advice.

A one-stop shop for all your mobility needs, Power Mobility has a wide range of quality equipment ready for you to try at our huge showroom. Our experienced customer service team can help you choose the right mobility solutions for you. So pop in anytime, or call us to make an appointment with one of our friendly consultants. If you have a therapist or you are a therapist, you're welcome to conduct trials at our showroom anytime.

WHAT'S INCLUDED IN A SERVICE?

We recommend servicing your equipment every 12 months. Preventative maintenance can help you extend the life of your equipment and avoid costly repairs down the track. For wheelchairs and mobility scooters, a service includes:

- Comprehensive safety check of all frame components
- Lubrication of frame components & pivot points, where required
- Check all hardware, nuts & bolts, & adjust if required
- Battery condition test & battery charger check
- Test drive system & components including suspension, drive motor/s & controls
- Assess tread condition and pressure check drive tyres and castors
- Consumables, lubricants and cleaning fluid
- Quote for any major repairs/replacements, if required
- Automatic notification when your next service is due, so you don't have to worry about it.

PERSONALISED SERVICE

We pride ourselves on excellent, personalised service, designed to improve our customers' mobility and quality of life. We treat all our customers with respect and value your privacy.

KNOWLEDGE & EXPERTISE

Our team has some of the most experienced and knowledgeable people in the industry. We are constantly learning about the latest technology and product innovations.

EXPERIENCED TECHNICIANS

Power Mobility offers a convenient mobile service, where one of our highly trained and experienced technicians will come to you to service, repair and maintain your mobility equipment.

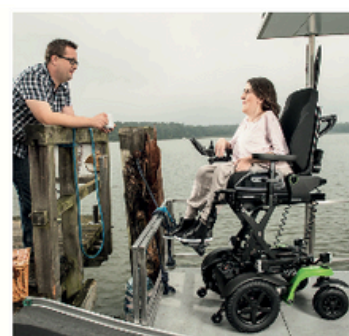

QUALITY BRANDS

Simply the best. Power Mobility is an approved dealer & repairer for the world's most trusted brands including Magic Mobility, Quantum, Pride Mobility, Amylior, Ottobock & Sunrise Medical.

Our Hire Fleet of Power Wheelchairs

Power Mobility offers a quality range of power wheelchairs for hire, including some of the world's best brands such as Magic Mobility, Quantum Rehab, Pride Mobility, Amylior and Ottobock. You can see our full range of hire wheelchairs on our website.

HOW IT WORKS

Our dynamic range of specialised power wheelchairs are available as 'fast-supply' options for people who need a chair asap! We are constantly adding new models to our fleet, from standard options to highly customised chairs. This means they can be customised to suit the specific needs of each individual client. To arrange a hire chair, please contact Power Mobility and our friendly Customer Service team will take you through the process in more detail.

There are a number of different funding options available when hiring a power wheelchair. At Power Mobility, we work closely with various organisations including the NDIS, insurance companies, charities, nursing homes, as well as those who are privately funded.

ACCESSORIES FOR HIRE

A range of products designed to complement our hire chairs are also available to rent including alternate drive controls, headrests, cushions and backrests from trusted brands such as Spex, Jay, NXT and ADI.

PROFESSIONAL DEVELOPMENT - EDUCATION FOR THERAPISTS

Because Power Mobility works closely with therapists who prescribe assistive technology, we are dedicated to providing ongoing professional development. We offer a selection of clinical, product and technical courses to help therapists develop the latest practical skills and thinking. We regularly hold workshops (such as MAT Evaluation) in Brisbane, on the Gold and Sunshine Coasts, in the Wide Bay region and Rockhampton. We receive great feedback about these sessions, as the topics we cover often aren't taught in traditional learning environments. Visit the Prescriber Events section of our website for our full education schedule.

At Power Mobility, we're dedicated to helping you get mobile, so you can live life to the fullest. Whether you want to purchase mobility equipment, hire a power wheelchair or you need to maintain, service or repair your equipment, we're here to help!
